

Dear,

As a result of the restructuring of our operations in Europe we are closing our office in the Czech Republic. We have appointed **Jakar Electronics s.r.o.** to be an authorized distributor for **Omega Engineering Inc.** (Omega) and **Newport Electronics Inc.** (Newport) in Eastern Europe.

Jakar Electronics is a distributor and independent from Omega/Newport. Any orders placed with Jakar Electronics will be entirely and solely their responsibility.

Effective August 01, 2009, your orders will be dealt with directly by Jakar Electronics. All orders placed prior to that date will continue to be handled by Newport Electronics, SPOL sro. We will ensure that your orders will be dealt with in the most efficient manner.

Please refer all enquiries and orders to Karel Janicek. The contact details are as follows:
